

Vision of the College

To inculcate the spirit of enquiry and enlightenment amongst the students, and to mould them into intellectually competent, morally upright, socially committed and spiritually inspired citizens of India by imparting pragmatic, holistic and personalized education.

Mission of the College

Sonada Degree College is an educational institution which aims to serve the community and the country through its students. In order to achieve this, the college strives-

1. To provide relevant academic knowledge along with co-curricular to ensure all round growth of the students of the less privileged background.
2. To foster an environment for the students to build their character, promote nationalism and practice secularism.
3. To promote a balance between man and nature through environment friendly practices such as energy conservation, proper disposal of waste, water harvesting and use of sustainable energy sources.
4. To ensure every student's mental well-being by inculcating the practice of mentorship.
5. To practice community service and social accountability through NSS by conducting cleanliness drives, health camps and numerous awareness programs.
6. To instill discipline and leadership qualities through the various programs of NCC.
